

The Little Garden Club of Memphis  
Membership Meeting  
April 8, 2021  
Shelby Farms

Kate Trammell, President, welcomed everyone to the membership meeting. She thanked our meeting hostesses: Kate Connell, Katherine Dobbs, Tempe Thompson, and Ruthie Taylor.

Kate asked if anyone had changes to the March minutes. Anne Keesee made a motion to approve the March minutes and Linda Mallory seconded the motion. The membership voted to approve the minutes.

Kate asked if everyone reviewed the budget she emailed. Membership did not have any comments or questions. Kate explained that membership would vote on 2021-2022 Budget at the May meeting. Please email her with any questions.

Kate spoke for Linda Mallory, Treasurer, and told everyone to please turn in their expenses to Linda as soon as possible. Also, please pay your dues. The sooner you get them in the better.

Tempe Thompson, membership, reminded everyone; if you want to change your membership status, please get it to her in writing before May1st.

Stacey Hussey with programs introduced our speaker, Linda Brashear. Linda is the COO of Shelby Farms Conservancy and has been with the Park since November 2010. Linda spoke to the group about Shelby Farms and the incredible place that it is.

Kate Trammell, President, adjourned the meeting.

Respectfully submitted,

Jean Johnston, Recording Secretary
