

THE IVY VINE

The Little Garden Club of Memphis
Horticulture, Conservation, Flower Arranging & Garden Design

PRESIDENT'S LETTER

*We hang the wreaths, We deck the halls
We see a lot of shopping malls,
But pause for a minute, get out of your sleigh,
Come to the Auction - and start bidding away!*

As we look to December, I think most of us will agree that the Christmas Auction is one of the most fun Little Garden Club meetings. If this is your first one, you are in for a treat. I don't want to give too much away as there are fun things in store for all of us, and Sue and Jean have been busy little elves, working hard on all the details to make a great auction. You will have the chance to bid on everything from a delicious food item to a weekend getaway. Don't forget your checkbooks!

We had a very busy November! We kicked it off with a perfect New Members party at Abbie Williams' home. Thank you to Julie Hussey and Abbie

for all that you did to welcome Bowie Campbell and Elizabeth Williamson into our club. These new members jumped right in to a very busy rest of the month - from Photography and Horticulture workshops to the Phoebe Cook lecture to an Orientation Session led by Barbara Williamson - I think they are starting to see the range of talents and interests of our members!

Looking ahead, The Little Garden Club will celebrate its 90th Birthday in 2019. Gay Boyd (our Communications chair) is working on a series of special tributes. Stay tuned for that in upcoming issues of the Ivy Vine.

As the year comes to a close, I reflect on all that this club has done throughout the years - for our community and beyond - and I feel inspired knowing the future is just as bright. Many of you who are our more "seasoned" members inspire us. I hope you know that your involvement and participation in this club is what makes it "extra"ordinary.
