Kim MacQueen introduced Mike Allen, Executive Director of MBG, and Mary Helen Butler, Assistant Director, who presented an update and funding opportunities to The Little Garden Club for the Rooted at Park and Cherry Capital Campaign. Rooted at Park and Cherry was launched 15 months ago with 4 projects in the vision. Three projects have been undertaken: 1) the Arboretum, which is complete 2) additional bathrooms on the south end of the garden which will open in June and 3) a Youth Education and Tropical Plant House, the only such facility in the state. The 4th project is an outdoor kitchen between the Urban Home garden and the Japanese Garden, which has yet to be funded. The goal of the campaign was \$5m and to date \$4.4m has been raised. MBG has requested \$1.2m from the state. The 4 opportunities presented for consideration by LGC are: the Arboretum Classroom, the Nature classroom, the Tropical Plant House classroom, and the Urban Home Garden restroom area.

Emily opened the meeting by asking for a motion to approve the January 2023 board meeting minutes. Katie Eleazer made a motion to approve the minutes as written. Mary Muscari seconded the motion. The motion passed.

Kim MacQueen, past President of the Memphis Botanic Garden, addressed the board and announced that she will match whatever the Little Garden Club donates to the campaign and answered several questions.
