## President's Letter

It is officially Fall and my hope is that by the time you read this, it will feel that way. When I get ahead of myself and change out my summer clothes for fall and winter ones, I have to remind myself that my hot-weather-loving roses are still blooming in abundance in November. But, despite the temperatures, fun things are ahead.

All eyes are focused on our first GCA flower show, GREENWAYS & GREENLINES, on October 20 with a "Toast to the Show" party following that evening. Those of us who may feel trepidatious (and I am first in that line) will have gained new confidence after our hort pop-up meeting, where we will learn everything we need to know about entering the gems that are in our own back yards. I was just at Presidents Council, and so many from our zone are excited about coming to Memphis for the show. Vance and Tempe and their team have already done us proud.

Before that, we have the Fall Plant Sale at MBG, October 7 and 8. Just think of the future ribbons and prizes you can win from your purchases there.

We will welcome two new members to our group this month and will officially celebrate them at Lawrence Cowart's house on November 8. Put that on your calendar now so we can "show up" and show them what makes being in LGC so special.

Finally, I mentioned Presidents Council...it was a LOT of valuable information but I took copious notes and filled my "blank slate" to capacity. That's not to mention all the wonderful new friends I have. I am blessed.

Love,  
Emily

## Marguerite Turner Achievement Award

At the May Picnic one of the Award Recipients was out of town babysitting. The plan was to present her award at the September Meeting, but again she was out of town babysitting. (She will also receive the Grandmother of the Year Award!!) Being the masters of flexibility we have all become, a few of last years Award Committee made a surprise visit to Gina White to present The Marguerite Turner Achievement Award. This award is "In recognition of outstanding accomplishments while promoting the activities of The Little Garden Club of Memphis." Gina has definitely accomplished much as a Grower and Shower! She has contributed to our club as Flower Show Chairman, Hort Chair, Sensory Gardens, and Happenings.

Congratulations, Gina!
